The spectacular Sierra Nevada Mountains are just 90 minutes drive from the Villa so leave at 7am and be there by 8.30am! There are around 130km of pisted ski runs, ideal for beginners and experienced skiers, with fantastic nursery slopes as well as blue to black runs. It's lovely to be able to ski down from the top and see the sea in the distance. Hiring skis is easy and you can book lessons with an English speaking instructor. There are plenty of restaurants and bars. For those in your party who do not wish to ski, there is a spa where you can spend the whole day using the indoor swimming pool, jacuzzi, steam room & sauna for 10 Euros. Skiing is from December till April, but when the sun shines up on those mountains you are still likely to come home with a lovely tan.
